

Give Tennis a Go at Launceston Tennis Club

All standards and ages of player are welcome. We hold friendly club sessions three times a week on our brand new floodlit tennis courts.

Throughout the year we run social events and doubles tournaments.

For competitive players, there is the opportunity to play in one of our 7 league teams, playing other clubs around Cornwall. We also run knockout singles and ladder competitions.

2 qualified LTA coaches offer individual or group coaching on our courts.
